

Uploading Encrypted Statler Patterns into your Gammill Pattern Cloud Account

Log into your Gammill Pattern Cloud Account

Click on “My Patterns”

Click on “UPLOAD PATTERNS”

Click on the “Browse for pattern files to upload” button and navigate to your new folder where your patterns were extracted. Select the patterns.

Type in your Security Key Code: 05823 in the “Enter Decrypt Code” box.

The screenshot displays the 'Add Patterns To My PatternCloud Account' page. At the top, there is a navigation bar with 'STORE', 'MY PATTERNS', 'MY ACCOUNT', and 'HELP'. Below this is a secondary bar with 'PATTERNS', 'COLLECTIONS', 'SETS', and 'FONTS'. The main content area features a list of pattern files in a scrollable box, including 'july placemat_05823.pat' through 'wavy pano sa 005 xsmall_05823.pat'. To the right of the file list are input fields for 'Add Tag' and 'Add Collection', each with a green plus icon. Below the file list is a red button labeled 'Browse for pattern files to upload' with a folder icon. Underneath this button, it states 'Accepted File Formats: .gqp, .gqpx, .qli, .dxf, .pat, .csq, .csqx'. At the bottom center, there is a red button with a cloud icon and the text 'Start Upload: 8 Patterns'. To the right of this button is a box titled 'Encrypted Patterns Found' containing an 'Enter Decrypt Code:' label and a text input field with '05823' entered. Three black arrows point from the text instructions to the file list, the 'Start Upload' button, and the 'Enter Decrypt Code' field.

Click the “Start Upload” button.
