**Q NOVEMBER
2018**

Greetings Quilters,

Daylight Savings Time ends this coming weekend....where did the summer go? I'm already experiencing the Christmas Quilt Rush! Kim has been busy creating new e2e designs for those Christmas quilts as well as some new Christmas project patterns: tablerunner, wreath, and placemats.

Now until December 20, 2018 navigate to the Facebook Sweet Dreams Quilt Studio Photos Link and upload your favorite Christmas projects (Christmas, Hanukkah, Kwanza) projects (made with Sweet Dreams Quilt Studio patterns) into the contest album. If you are not a member of the Facebook SDQS Group, you'll need to join it.

Sweet Dreams Quilt Studio Christmas Projects Contest Album

Upload photos of your Christmas projects made with Sweet Dreams Quilt Studio patterns. Label each photo with the pattern name(s). Members of the group should be encouraged to "like" their favorite project beginning October 25, 2018 and ending at Noon on December 20, 2018. The person whose project receives the most likes will have \$100.00 in credits posted to their Sweet Dreams Quilt Studio account to be spent on SDQS patterns of their choosing.

Enjoy the patterns! We look forward to seeing the photos of your Creations!
Kim and Janet

**The Agate November 2018 Archive contains 149 patterns,
including 53 panos, a retail value of \$1825.00.**

Sheet of Music Whole Cloth Patterns

Quick and Easy Fleece Hats (patterns for 9 sizes)

Alternative Legs for Violet Craft Elephant Abstractions

The original patterns to quilt the Violet Craft Elephant Abstractions pieced quilt were released in the Citrine December 2017 archive. The leg patterns in that set were designed to be placed and then trimmed away at the leg seams. A number of quilters have been inspired to make a whole cloth quilt for which those leg patterns would not work. Kim reworked those patterns to be used in the whole cloth application.

Pattern Set for Sew Kind of Wonderful's Chic and Jazzy Quilt

Created by Sweet Dreams Quilt Studio, Quilter's LightBox® software was designed to easily:

- Import photos of your quilt and/or quilt blocks.
- Import photos of quilt block pattern pictures.
- Preview quilting patterns superimposed over the quilt photos.
- Enlarge, reduce, copy, rotate, increase or decrease line widths, and adjust thread colors.
- Print pictures of the quilt/block with the patterns, and a list of the quilting pattern pictures used.
- Create a .zip file with all of the pictures for ease in emailing to quilt customers.
- Freehand feature, for those times when you want to doodle on your own!
- And now you can fade out the quilt image behind your pattern layout to better view the patterns.

The software includes over 9000 quilting pattern pictures and free monthly updates for quilting pattern pictures. The software is available for purchase online with immediate download, and also comes with a backup version on the DVD, along with the library of pattern pictures, delivered via USPS Priority Mail. Favorite Longarm Supplies Vendors:

Updated

We've had many questions from new longarm quilters about the best places to buy their supplies. So, we thought we'd provide a list of our favorite vendors. This is not an exclusive list....you may already have other vendors who take care of your longarm supply needs...and we're not trying to convert anybody.

Superior Thread: I buy King Tut Thread in the 2000 yard cones, although they have poly thread as well. They sell wholesale only, so you'll need your sales tax certificate to set up an account. They have an amazing selection of thread. They have fabulous customer service and an easy online account set up process. They also ship internationally! <http://www.superiorthreads.com>

Checker Distributing: Wholesale Only.....I have rarely looked in vain for anything quilt related on their site. Shopping for supplies can be addicting! Shipping is charged on large items, but not on items such as pins, needles, thread, books, scissors, or most other notions. They do charge shipping on bolts of fabric, luggage, cutting mats, Ott Lights, etc. (They now carry Quilter's Dream Batting.....but only to customers outside of the United States.) <http://www.checkerdist.com>

SouthStar Supply Company: They have scissors, snips & holsters, bobbins, pattern making supplies, rotary cutters, mats, knives, sharpeners, notions, needles, pins, ergonomics, safety, & handling supplies, steamers, machine oil, spot lifters, silicone.....and they are very nice people to work with.
<http://www.southstarsupply.com>

Quilter's Dream Batting: I have pretty much stopped purchasing rolls of batting. I find it easier to maintain an accurate inventory of batting, and it stores well. Unlike some packaged batting, I don't find that the QD batting is distorted, and so it doesn't require a trip through my dryer before I can use it. Some of my best friends who also have longarm quilting businesses stock packaged batting as well as batting on a roll. We agree that these people are easy to work with! <http://www.quiltersdreambatting.com>

Virginia Longarm: I buy the dress bag and the 3-sided zipper totes to deliver my quilts to customer. They bring their next quilt to me in their bag. When I arrive at our guild meetings, laden with my purple bags, people say it looks like Christmas. Their quilts stay clean and it adds a little extra class and professionalism to my business.

Wingspan Crafts: These are the people at MQX East who have the pre-shunk cotton batting (Katahdin) and the lovely 80/20 (Acadia). They were very nice to work with.

Winline Textiles: These people were at MQS in Wichita. Their batting also feels very nice, has great consistency. They sent me home with two sample batts (a crib size and a twin size). I have used both sample batts and was very, very pleased. Visit them at: <http://www.winetextiles.com>
