Quartz
FEBRUARY
2016

Kim and Dave returned back from their long overdue vacation in Costa Rica to bitter cold temperatures and snow! Welcome back from Paradise! I wanted to thank each of you for your grace and patience while she was gone and since she has been back and tackling her extensive drawing list!

We're all glad to have Kim back. She brought back gifts, too! Chocolate, Coffee, and T-Shirts!

Hope you are all getting lots of quilting done. Remember that we love to see photos of your finished quilts!

Happy Quilting!
Kim and Janet

- Preview quilting patterns superimposed over the quilt photos.
- Enlarge, reduce, copy, rotate, increase or decrease line widths, and adjust thread colors.
- Print pictures of the quilt/block with the patterns, and a list of the quilting pattern pictures used.
- Create a .zip file with all of the pictures for ease in emailing to quilt customers.
- AND NOW has a freehand feature, for those times when you want to doodle on your own!

The software includes over 9000 quilting pattern pictures and free monthly updates for quilting pattern pictures. The software is available for purchase online with immediate download, and also comes with a backup version on the DVD, along with the library of pattern pictures, delivered via USPS Priority Mail. Edge-to-Edge-Squared					

Important things to consider and include with your design request:

When you take photos of the quilt and/or quilt block, the camera should be parallel to the quilt (we need a straight on shot). If we have to draft out the block, it helps a lot to capture correct angles.

If you want an existing pattern modified, we need the exact pattern name. (We cannot modify another designer's pattern, so please don't ask us to do that.)

Style you're going for: If you want celtic, but don't tell us and we make floral, no one will be happy.

If you want a name included in the pattern, you need to double check the spelling before you submit the request. If you find out after the pattern has been designed that you requested the pattern with incorrect spelling, your submission of the correct name spelling goes to the end of the drawing list, causing a delay for you.

If your machine has a short throat, please make sure you tell us the largest amount of the fabric your machine has access to quilt. [PLEASE email your design requests](#) (you can follow up with a phone call, but it helps us to have the email.)

Favorite Longarm Supplies Vendors:

Updated

We've had many questions from new longarm quilters about the best places to buy their supplies. So, we thought we'd provide a list of our favorite vendors. This is not an exclusive list...you may already have other vendors who take care of your longarm supply needs...and we're not trying to convert anybody.

Superior Thread: I buy King Tut Thread in the 2000 yard cones, although they have poly thread as well. They sell wholesale only, so you'll need your sales tax certificate to set up an account. They have an amazing selection of thread. They have fabulous customer service and an easy online account set up process. They also ship internationally! <http://www.superiorthreads.com>

Checker Distributing: Wholesale Only.....I have rarely looked in vain for anything quilt related on their site. Shopping for supplies can be addicting! Shipping is charged on large items, but not on items such as pins, needles, thread, books, scissors, or most other notions. They do charge shipping on bolts of fabric, luggage, cutting mats, Ott Lights, etc. (They now carry Quilter's Dream Batting.....but only to customers outside of the United States.) <http://www.checkerdist.com>

SouthStar Supply Company: They have scissors, snips & holsters, bobbins, pattern making supplies, rotary cutters, mats, knives, sharpeners, notions, needles, pins, ergonomics, safety, & handling supplies, steamers, machine oil, spot lifters, silicone.....and they are very nice people to work with.

Quilter's Dream Batting: I have pretty much stopped purchasing rolls of batting. I find it easier to maintain an accurate inventory of batting, and it stores well. Unlike some packaged batting, I don't find that the QD batting is distorted, and so it doesn't require a trip through my dryer before I can use it. Some of my best friends who also have longarm quilting businesses stock packaged batting as well as batting on a roll. We agree that these people are easy to work with! <http://www.quiltersdreambatting.com>

Virginia Longarm: I buy the dress bag and the 3-sided zipper totes to deliver my quilts to customer. They bring their next quilt to me in their bag. When I arrive at our guild meetings, laden with my purple bags, people say it looks like Christmas. Their quilts stay clean and it adds a little extra class and professionalism to my business.

Wingspan Crafts: These are the people at MQX East who have the pre-shunk cotton batting (Katahdin) and the lovely 80/20 (Acadia). They were very nice to work with.

Winline Textiles: These people were at MQS in Wichita. Their batting also feels very nice, has great consistency. They sent me home with two sample batts (a crib size and a twin size). I have used both sample batts and was very, very pleased. Visit them at: <http://www.winlinetextiles.com>
