

Club Notes: Duchess

August 2010

Hughetta Dale, a Crown Jewels Club member, used classy curls border on this paper dolls quilt, but needed a frame suitable for a rectangle. I've seen some memory quilts where I could have used this rectangle pattern.

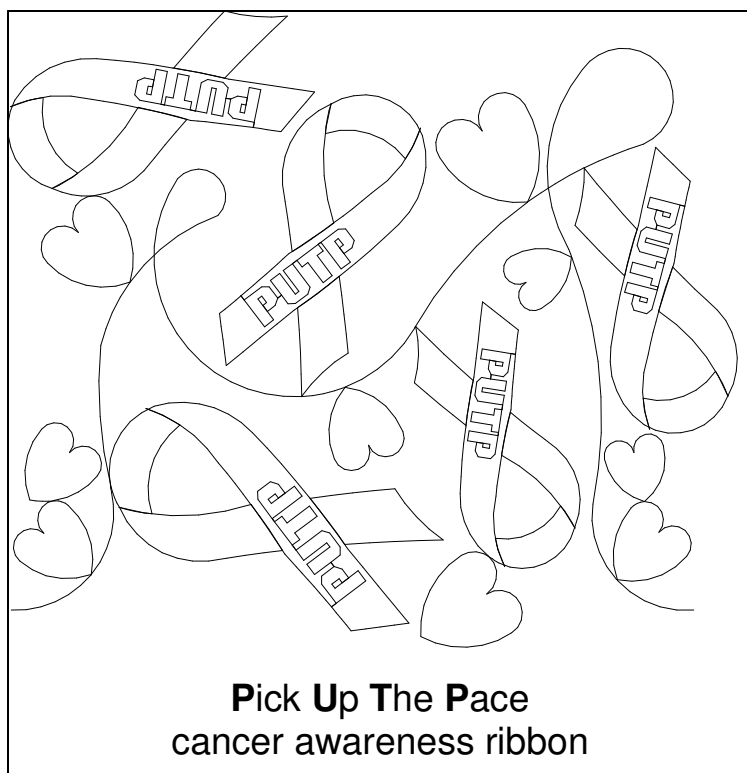

Next month, Kim plans to have burp cloths and apron patterns, plus more pieces to the Dawn series of patterns. We've also found that quilters are looking for more simple block patterns to use on Civil War samplers, as well as the Sylvia's Bridal Sampler quilts. Look for these in September.

Kim has also been thinking about designing several panos which are much less detailed. The goal of this new style is to provide patterns for those customers who only like a "light" quilting application. The fact that these will quilt faster is merely a perk for the longarm quilter! Be thinking about Kim, as simple panos will be a struggle for her!
