**Important things to consider and include with your design request:**

When you take photos of the quilt and/or quilt block, the camera should be parallel to the quilt (we need a straight on shot). If we have to draft out the block, it helps a lot to capture correct angles.

If you want an existing pattern modified, we need the exact pattern name. (We cannot modify another designer's pattern, so please don't ask us to do that.)

Style you're going for: If you want celtic, but don't tell us and we make floral, no one will be happy.

If you want a name included in the pattern, you need to double check the spelling before you submit the request. If you find out after the pattern has been designed that you requested the pattern with incorrect spelling, your submission of the correct name spelling goes to the end of the drawing list, causing a delay for you.

If your machine has a short throat, please make sure you tell us the largest amount of the fabric your machine has access to quilt. [PLEASE email your design requests \(you can follow up with a phone call, but it helps us to have the email.\)](#)
