

How to use the Automatic Encryption/Download system to purchase and retrieve your patterns

Here are the steps:

- 1) Log into your Sweet Dreams Quilt Studio account.
- 2) Select pattern, click the "View Pattern" button
- 3) Click the "add to cart" button
- 3) Click the "checkout" button
- 4) Click the "continue" button
- 5) Enter your Credit or Debit Card card information.
- 6) Click the "confirm order" button
- 8) Click the "Click Here To Retrieve Your Individual Patterns" button
- 9) If you have more than one controller, click the radio button next to the controller you want.
- 10) When it's done processing, click the "Download Encrypted Patterns" button. They will be in a zip file saved in your Download directory on your internet - connected computer.
- 11) If you have another machine for which to encrypt the order, click the gray "Go Back" button and select the next machine. Repeat this process for as many machines as you have in your profile.
- 12) Navigate to you're Downloads folder, open the zip file and actually click on extract, choosing the USB stick as the destination for the extracted files. Take the USB stick to your computerized system.

MAC USERS: If you have difficulty getting your patterns extracted from the order download, save the download DIRECTLY to your USB stick, and then extract the patterns on your Statler computer (or other PC computer).

How to use the Automatic Encryption/Download system to go back and re-download your patterns

Here are the steps:

- 1) Log into your Sweet Dreams Quilt Studio account.
- 2) Click on "My Account"
- 3) Click on "View/Re-encrypt Previous Orders"
- 4) Click the "view" button next to the order you wish to re-encrypt/download.
- 5) Click the "re-process patterns from this order" button
- 6) If you have more than one controller, click the radio button next to the controller you want.
- 7) The next page will say "processing patterns"
- 8) When it's done processing, click the "Download Encrypted Patterns" button. They will be in a zip file saved in your Download directory on your internet - connected computer.

MAC USERS: If you have difficulty getting your patterns extracted from the order download, save the download DIRECTLY to your USB stick, and then extract the patterns on your Statler computer (or other PC computer).

There are no limits to the number of times you are allowed to download your patterns.
