

How to use the Automatic Encryption/Download system to purchase and retrieve your patterns (Statler, IntelliQuilter, Innova, ProStitcher)

Here are the steps:

- 1) Log into your Sweet Dreams Quilt Studio account.
- 2) Select pattern, click the green "View Pattern" button
- 3) Click the green "add to cart" button
- 3) Click the green "checkout" button
- 4) Click the green "continue" button
- 5) Enter your Credit or Debit Card card information.
- 6) Click the green "confirm order" button
- 8) Click the green "Click Here To Retrieve Your Individual Patterns" button
- 9) If you have more than one controller, click the radio button next to the controller you want. If you have only one controller, click it.
- 10) When it's done processing, click the green "Download Encrypted Patterns" button. They will be in a zip file saved in your Download directory on your internet - connected computer.
- 11) If you have another machine for which to encrypt the order, click the gray "Go Back" button and select the next machine. Repeat this process for as many machines as you have in your profile.
- 12) Navigate to you're my Documents folder, open the zip file and actually click on **extract**, choosing the USB stick as the destination for the extracted files. Take the USB stick to your computerized system.

MAC USERS: If you have difficulty getting your patterns extracted from the order download, save the download DIRECTLY to your USB stick, and then extract the patterns on your Statler computer (or other PC computer).

How to use the Automatic Encryption/Download system to go back and re-download your patterns (Statler, IntelliQuilter, Innova, ProStitcher)

Here are the steps:

- 1) Log into the Sweet Dreams Quilt Studio web site
- 2) Click on "My Account"
- 3) Click on "View/Re-encrypt Previous Orders"
- 4) Click the blue "view" button next to the order you wish to re-encrypt/download.
- 5) Click the green "re-encrypt patterns from this order" button
- 6) If you have more than one controller, click the radio button next to the controller you want. If you have only one controller, click it.
- 7) The next page will say "processing patterns"
- 8) When the green words "order #XXXX" appear, click on that green link.
- 9) Click "Save"
- 10) Navigate to your "My Documents" folder and click "ok"
- 11) Then, you'll need to navigate to you're my Documents folder, open the zip file and actually click on **extract**, choosing the USB stick as the destination for the extracted files. Take the USB stick to your computerized system.

MAC USERS: If you have difficulty getting your patterns extracted from the order download, save the download DIRECTLY to your USB stick, and then extract the patterns on your Statler computer (or other PC computer).

There are no limits to the number of times you are allowed to download your patterns.
