

Double Wedding Ring Table Runners

Step 1: Choose an outline, either dwr tablerunner 001 (3 rings), dwr tablerunner 002 (5 rings), dwr tablerunner 003 (7 rings), dwr tablerunner 004 (9 rings). If tablerunner is 15" tall the lengths are 001 = 37", 002 = 59", 003 = 80", 004 = 103".

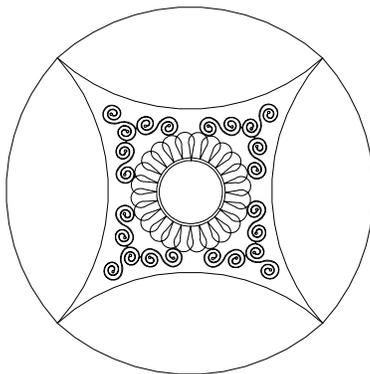

For example this is dwr tablerunner 002

Step 2: Select a mellon pattern, there are several to choose from.

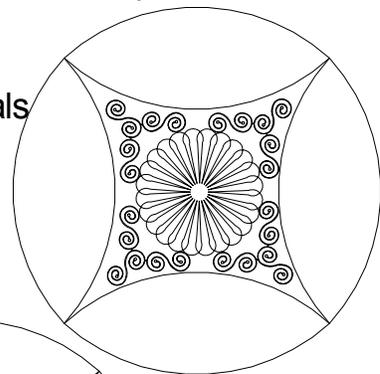

For example this is wedding ring christine mellon

Step 3: Select a Wedding ring medallion. You may use some combination of regular wedding ring patterns, a wedding ring pattern with a "hole" or the Bell DWR pattern. If you use a pattern with a hole. you can fill in with a simple bell or use the text and put in names, dates, etc.

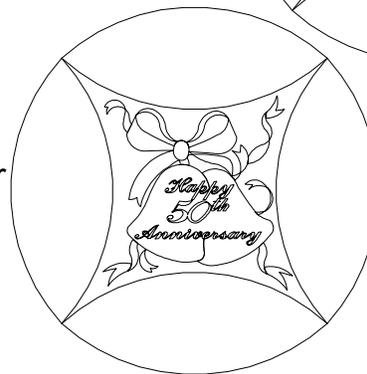

For example this is wedding ring spiral hole

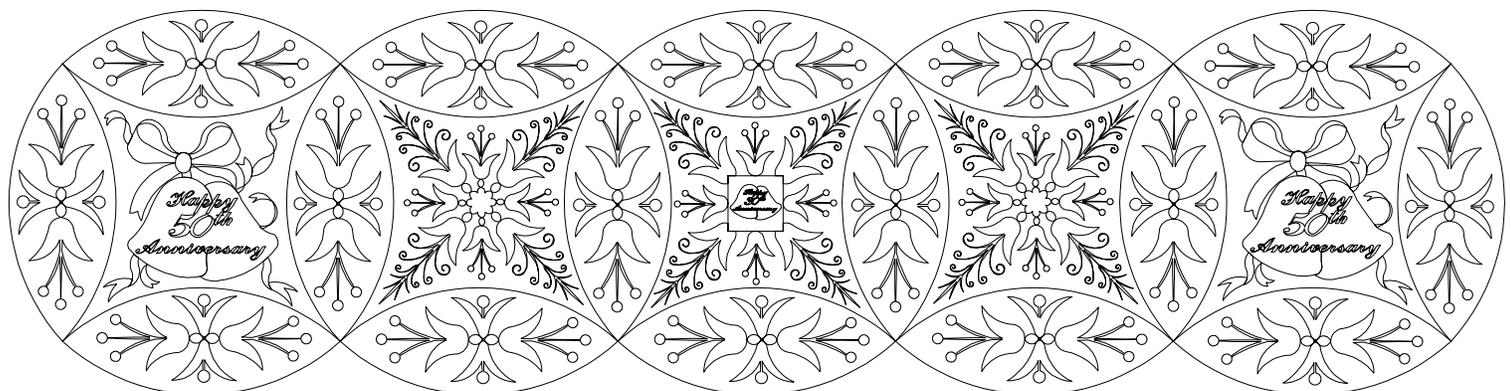

For example this is wedding ring spirals

For example this is bell 50th dwr

For example this is bell 30 simple for filling in the hole
